ANNUAL CAMPAIGN

The Danville Family YMCA welcomes all who wish to participate and believes that no one should be denied access to the Y based on their ability to pay. Through our Annual Campaign, we provide financial assistance to youth, adults and families based on individual needs and circumstances. We encourage everyone in the community to join our cause of strengthening community by giving back. Your financial gift to the Y makes an impact right in your community. For more information and to make a donation to the Annual Campaign, please visit www.ymcadanville.org or speak with a YMCA Staff Member.

SCHOLARSHIP PROGRAM

Do you know someone that wants to join the YMCA, but may need financial assistance?

We believe EVERYONE belongs at the Y. So in every way possible we try to make that happen. Scholarships are quite easy to obtain. Applications are available at the Front Desk. All that is needed is a proof of household income. Once the applicant has turned in the completed application and all of the required paperwork, we send them an award in the mail for a 6 month membership at a discounted rate! For more information, stop by the front desk or check out our website at www.ymcadanville.org

SWIM LESSONS

Each year, countless injuries occur as a result of an individual's inability to swim. It is our goal to ensure the safety of our members while enjoying themselves around water by offering swim lessons for all ages. In order to provide a better experience, we have changed the structure of our swim lesson program. The new lessons are based off of the child's skill level and ensure continued development throughout each session. For more info, contact Casey Favor at casey.favor@ymcadanville.org
