### 2024/2025 WINTER BASKETBALL LEAGUE

The holidays are right around the corner! And with that comes our annual Holiday Pop-Up Shop! Enjoy a festive day full of fun and get that perfect gift from a local vendor! Tables will be set up through the facility with local vendors selling their unique goods and services. The event is set to take place on Saturday, 12/7 from 10AM-4PM. Santa will also be in attendance from 10AM-1PM for pictures, meet & greets, and cookies! It's FREE and open to the public too, so anyone can come by and see everything offered! For more information on the event or if you are interested in being a vendor, email [tevris.fitzgerald@ymcadanville.org](mailto:tevris.fitzgerald@ymcadanville.org).

Registration is OPEN this month for our upcoming winter basketball league! As with previous leagues, the program is open to youth ages 6-14 and separates different age groups into teams that compete with each other in organized games, with practices leading up to the games each weekend throughout the winter season until the beginning of spring. This program is great for not only fostering and further developing a love of the sport of basketball that your child has, but also teaching important life skills like teamwork, discipline, and more! Stop by the Front Desk to register. For more info you can email [gregory.hairston@ymcadanville.org](mailto:gregory.hairston@ymcadanville.org).

### VOLUNTEER COACHES

Want to give back to your community? Volunteer to be a coach in our Winter Basketball League! Volunteer coaches don't only coach our players to success - they have the chance to make a lasting impact in these kids' lives. Fill out a volunteer application to get started!
