August is here and we're going into the dog days of summer! As schools start back and summer starts to wind down a bit, it can be hard to find time to focus on your fitness during these busy transition periods. Luckily, with our Group Exercise classes, you can find a great one you like almost any day and fit it right into your routine! This month's schedule is largely the same as last month's, so it's easy to keep one of your favorites part of your routine or even spice things up and add a new one in!
